I. ABOUT THE YOUNG ARTIST AWARD

The Young Artist Award is Singapore's highest award for young arts practitioners, aged 35 and below, whose artistic achievements and commitment have distinguished them from their peers. It encourages young practitioners to continue pursuing excellence in the arts and to inspire others. Since it was established in 1992, the Young Artist Award has been conferred on 182 artists in the fields of film, literary arts, performing arts and visual arts.

Each Young Artist Award recipient will be able to access the Young Artist Award Grant of \$20,000. The Grant supports recipients' continuous artistic pursuits and development.

Know more about our Young Artist Award recipients [here](#).

II. ELIGIBILITY & SELECTION CRITERIA

The Young Artist Award recognises artists who have made and continue to make significant contributions and a positive impact in the fields of film, literary arts, performing arts and visual arts.

Self-nominations, nominations by immediate family members¹ and nominations by staff of the National Arts Council will not be accepted.

Selection Process

All eligible nominations received by the National Arts Council will be evaluated by Specialist Panels, comprising people established in the various artistic fields, appointed by the National Arts Council.

Besides artistic merit, the selection process will also consider nominees' potential to be role models. The final recommendations will be presented to the Minister for Culture, Community and Youth for approval.
